

# Sibiu Young Festival 2018

## CALL FOR APPLICATIONS

GONG Children and Youth Theatre in Sibiu (Romania) launches a call for international artists to perform at this year's **Sibiu Young Festival (2<sup>nd</sup> – 11<sup>th</sup> November 2018)**. A performance fee and travel support is available for selected artists and groups.

The Sibiu Young Festival offers a captivating program designed both for children and teenagers, while bringing together the whole family for an energizing experience. From animated shows for toddlers, to the magic of circus and puppets for kids, all the way to eclectic theatre and dance shows for youngsters, the festival brings viewers closer to what is new in the field of performing arts and puts a light on the current issues that new generations of parents and educators face nowadays.

**Application deadline: 4 March 2018**

The Sibiu Young Festival strives for a deep look inside the contemporary arts scene and to establish long term collaborations.

If your proposal has never been showcased in Romania before, please send us the following data to be considered for selection:

full recording of your show  
(DVD or web-link)

technical  
rider

number of people on tour  
(names and function);

Please submit your file either by email at [info@teatrulgong.ro](mailto:info@teatrulgong.ro) or by post. Please understand that besides the artistic value of your project we, also, must limit our selection to the technical specifications of our venues. Please understand that the files sent for submission will not be returned to sender. All proposals will be notified about the results no longer the end of June.

### More info:

Sibiu Young Festival is funded by the Local City Council of Sibiu and supported by The National Theatre Union in Romania. Founded in 1949 around various cultural practices and expressions, Sibiu GONG Theatre for Children and Youth (in Romanian: Teatrul pentru Copii și Tineret GONG) is a public cultural institution with an extensive repertoire, among which puppet animation performances as well as actors on stage performances. Being one of the first professional institution of this type in Romania, Gong Theatre attends to the artistic education and formation of children and youngsters using the latest and most diverse forms of expression of the theatrical art and the art of animation, by means of a series of performances of various problematic complexities, starting from the educational factor and going into the entertainment field.
